SAINT OF THE WEEK ST AUGUSTINE is one of the Doctors of the Church and is sometimes called the 'Doctor of Grace' because he wrote so much on that topic. He died in 430AD as the bishop of Hippo in north Africa, but not before he'd lived his life trying out various different lifestyles and philosophies. Because of his errant ways as a younger man, his mother, St Monica used to weep many tears over him and would pray for his conversion. His conversion came at age 31, following an audition which to him to pick up and read the bible. He was baptised by St Ambrose at Milan Cathedral.

Visitors Welcome to the Parish of St David and St Patrick. As you holiday in Haverfordwest, Narberth or Whitland, please know that you should feel very at home here and we hope you enjoy your summer holiday. Everyone is welcome to come together after our Sunday morning Mass for tea and coffee in the parish hall. Welcome also is Fr Andrzej Kuklinski who is covering the parish Masses this weekend in Fr Liam's absence.
