About the *Missionary Servants of the Poor TW*...

Our **charism** can be summarised in "making the Church present among the poor", through the riches of her Sacraments and vocations, in obedience to the Pope and his desires.

Our **spirituality** has three pillars: a life centred on the Eucharist, a deep devotion to our Mother the Blessed Virgin Mary, and total fidelity to the Magisterium of the Church.

Our **Movement** is made up of different missionary branches: Priests and Brothers, missionary Families, missionary Sisters, and contemplative Brothers. These communities, although living separately, share the same mission: bringing Jesus to the poorest and through this promoting their dignity as children of God.
