“The Son of Man crucified is the true Paschal Lamb, who delivers us from the slavery of sin and sustains us on the journey to the promised land. The Eucharist is the sacrament of his flesh given so as to give life to the world; those who are nourished by this food abide in Jesus and live through him. To assimilate Jesus means to abide in him, to become children in the Son.... Each time we receive the Bread of

Life, Jesus comes to give new meaning to our fragilities. He reminds us that in his eyes we are more precious than we think. He tells us he is pleased if we share our fragilities with him. He repeats to us that his mercy is not afraid of our miseries. The mercy of Jesus is not afraid of our miseries. And above all he heals us from those fragilities that we cannot heal on our own, with love.” POPE FRANCIS

LECTIONARY 2024: What is a Lectionary? The Lectionary is a book which contains the readings for Mass (Sundays and Weekdays), for Saints and Sacraments, and other occasions, such as funerals. At the Second Vatican Council the Lectionary was revised so that more of the treasures of scripture would be heard in the Lectionary. For example, whereas prior to the Council only 3% of the Gospel of Mark was heard now 96% is read. A new edition of the Lectionary, will come into use in England and Wales on the First Sunday of Advent 2024. It will use the English Standard Version – Catholic Edition for the scripture readings and the Psalms and Canticles for the Responsorial Psalms. **The Ambo Edition of these four will be £695. Book of the Gospels have two displays. The splendid volume with an embossed plaque in silver & gold is £395 and the deluxe bounded with gold blocking front is £275. Sponsors to purchase & dedicate the Lectionary Set for the Parish, in their name or in memory of someone, are welcome. Sponsors can be a few donors together for a volume or so. A dedication page is available in the Lectionary for this purpose.**

GENERAL ELECTION 2024: Cardinal Vincent Nichols, President of the Catholic Bishops' Conference of England and Wales, has sent a message encouraging Catholics, particularly young adults, to be “willing to get involved and vote” as the opportunity to vote in a general election is a “privilege”. The information and guidance are on the Bishops' Conference website and covers the following areas: Criminal Justice, Domestic poverty, family life and taxation, Education, Environment, International relations, human rights and peacebuilding, Life Issues, Migration.

DOMESTIC POVERTY, FAMILY LIFE & TAXATION – The Lord hears the cry of the poor! Psalm 34. The cost-of-living crisis has hit many families hard. The price of basic necessities in recent years has risen at a far faster rate than the growth in earnings and welfare benefits. In addition, the level of taxation has risen, especially for families where one adult primarily works in the home caring for children or elderly relatives. The cost-of-living crisis has revealed longer-term structural challenges and injustices. Even before the recent sharp rise in energy and food prices, nearly 10% of adults of working age and 7% of children lived in low-income households resulting in insufficient resources to buy the basics for a decent life. Poverty also affects peoples' mental health and puts pressure on family members to increase working hours, thus damaging family life. A particular concern is the cost of housing. This especially affects young people, families, and those on low incomes. There are aspects of this problem that cannot easily be controlled by government. The war in Ukraine led to a huge rise in the cost of fuel. There have also been financial implications due to the UK's ageing population. And family breakdown creates problems that are often beyond the ability of government alone to manage. However, these pressures heighten, rather than lessen, the need for government to promote the preferential option for the poor and ensure that an economic environment exists in which families can flourish. We stress the importance of political parties working to promote the common good of society as a whole. This includes government providing welfare support to those in need as well as promoting policies that help families and civil society groups thrive and build solidarity at every level in society.

Registering to vote: Please note, if you haven't registered to vote in the general election, you must do so by 23:59 on Tuesday, 18 June 2024. If you are eligible, you can do so here: gov.uk/register-to-vote. Photo ID is necessary to be permitted to vote. Link for more information: gov.uk/apply-for-photo-id-voter-authority-certificate

DAY FOR LIFE: JUNE 16: It is the day in the Church's year dedicated to raising awareness about the meaning and value of human life at every stage and in every condition. The Church teaches that life is to be nurtured from conception to natural death. The theme: **The Lord is my Shepherd – Compassion and Hope at the End of Life.**

CHILD SAFETY: Parents do make sure that a child going to toilet is accompanied by an adult & not a minor.

FIRE SAFETY: Votive Lights to be placed only in the given tealight holder. You may leave unlit tealights on tray which will be placed once the holders are available.
