"There is a cost to going against the tide. There is a cost to freeing oneself from being conditioned by popular opinion. There is a cost to being left aside by those who "go with the flow". But it does not matter, Jesus says. What matters is not to throw away the greatest good: life. This is the only thing that should frighten us.... Therefore, we have a duty and a responsibility towards the gift received: the light of the faith, which is in us through Christ and the action of the Holy Spirit; and we must not withhold it as if it were our property. Instead we are called to make it shine throughout the world, to offer it to others through good works. How much the world needs the light of the Gospel which transforms, heals and guarantees salvation to those who receive it!" POPE FRANCIS

LECTIONARY 2024: What is a Lectionary? The Lectionary is a book which contains the readings for Mass (Sundays and Weekdays), for Saints and Sacraments, and other occasions, such as funerals. At the Second Vatican Council the Lectionary was revised so that more of the treasures of scripture would be heard in the Lectionary. A new edition of the Lectionary, will come into use in England and Wales on the First Sunday of Advent 2024. It will use the English Standard Version – Catholic Edition for the scripture readings and the Psalms and Canticles for the Responsorial Psalms. **A BIG THANK YOU... to all sponsors who have donated to dedicate the Lectionary Set for the Parish, in their name or in memory of someone...! A dedication page is available in the Lectionary to inscribe the name of your intention/s. May God bless your generosity...!**

If you can help, kindly contact Fr. Paul asap. Thank you. God bless your generosity.

GENERAL ELECTION 2024: Cardinal Vincent Nichols, encourages all Catholics, particularly young adults, to be "willing to get involved and vote" as the opportunity to vote in a general election is a "privilege". The information and guidance are on the Bishops' Conference website and covers the following areas: Criminal Justice, Domestic poverty, family life and taxation, Education, Environment, International relations, human rights and peacebuilding, Life Issues, Migration. **LIFE ISSUES:** Despite advances in healthcare over the last few decades, increasing threats have developed to the life of the unborn and those who are suffering or close to the end of life. Each year, there are over 200,000 abortions in the UK. Recently, the liberalisation of abortion in the home was permitted by pills without any direct medical supervision, leading to tragic consequences for both mothers and babies. It remains the case that both disability and sex are deemed as legitimate reasons for abortion. Some disabled children can be aborted up to birth. It is possible that, in the next parliament, there will be further moves to liberalise abortion up to birth for all babies. Debates are also ongoing regarding the legalisation of assisted suicide (often called assisted dying), which, in practice, could put the sick and vulnerable at risk. Our faith offers us a more hopeful and positive view of human life – that everyone has an intrinsic value from conception to natural death and beyond to eternal life. We are called to love, care for and cherish all life as a gift from God, especially the lives of the most vulnerable. Jesus came that we may have life and have it abundantly (see John 10:10b). **ACTIONS:** Our life issue policy should protect the view that everyone has an intrinsic value from conception to natural death and beyond to eternal life. Members of Parliament are encouraged to challenge the legalisation of assisted suicide and euthanasia. Families, charities, hospices, and civil society organisations should be supported appropriately so that vulnerable individuals and their families have access to appropriate care. Parliament should legislate to ensure that disability cannot be given as a reason for abortion and babies diagnosed with disabilities cannot be aborted up to the point of birth. The government should also end the practice of medically unsupervised abortions in the home. Parliament should resist attempts to extend abortion limits further. National and local government, as well as civil society, should respond to the need to support vulnerable mothers and babies.

FIRE SAFETY: Votive Lights to be placed only in the given tealight holder. You may leave unlit tealights on tray which will be placed once the holders are available.

PARISH REGISTRATION: Our Parish Index Cards are getting old and need renewing and updating. A lot of information has changed since they were first collected and organised. Therefore, it is time now to renew the registration. It takes time to update. But it's good to start somewhere. I would like to urge all of you to take a form available in the porch. Kindly fill both the sides. **When you return, KINDLY MAKE SURE** that it is given to the following person: **ANN SOPER, ANNE HANCOCK or LOUISE BARRINGTON.** Please do not leave your forms in porch or elsewhere. Remember that it's your personal & family data. Diocesan Data Protection Policy is strictly applied. The information received will be strictly for the Parish use and will not be shared with any third party.
